About Us

Aspire Building Materials connects Cabinet and Construction Industry experts in China with homeowners and builders worldwide.

We offer design, specification, 3D models, sourcing, and export/shipping of Kitchen Cabinets, Wardrobes, and other building materials such as tiles, granite, appliances, whitewater, and project-specific sourcing direct to builders and homeowners worldwide.

Aspire Building Materials has many years' experience exporting to Australia, New Zealand, Malaysia, the Philippines, India, South Africa, Canada, USA. and etc. Projects range from multistage apartment complexes with hundreds of apartments, luxury houses to individual kitchen renovation projects.

Our product experience covers Blum, DTC, Hettich, and Salice.
