OUTDOOR ESSENTIALS

SUN HAT & GLASSES FOLDABLE CHAIR & SPORT GLOVES

OEM SUPPORTED

Turn your outdoor vision into reality! Share your ideas for sun hats, UV-blocking sunglasses, folding chairs, or any outdoor essentials, and let our expert team bring them to life. Whether you have specific design preferences, logos, quantities, or fabric choices in mind, we'll provide tailored advice to enhance functionality and style. Send us your Tech Pack and artwork, and our outdoor-gear specialists will craft high-performance samples using advanced materials like UPF fabrics, polarized lenses, and weather-resistant trims. From optimizing sun protection to ensuring lightweight durability, we'll refine every detail—recommending color schemes, reinforced stitching, and packable designs built for adventure. Partner with us to create gear that's as rugged and reliable as the great outdoors!

Stay Comfortable. Stay Protected. Stay Stylish.

Beat the heat and relax in the wild with our curated trio of outdoor must-haves:

Ultralight Foldable Chair - Your portable throne for instant relaxation anywhere

Polarized Sunglasses - Crystal-clear vision with full UV defense

UPF 50+ Sun Hat - Complete head-to-neck sun protection

The perfect combination for:
• Lakeside chilling • Beach escapes • Mountain trails • Backyard gatherings

OUTDOOR ESSENTIALS

CYY Outdoor Essentials – Gear Built for Adventure

CYY is a trusted leader in crafting high-quality outdoor essentials, blending innovation, durability, and comfort for every adventure. Rooted in our parent company's legacy of protective equipment manufacturing, we leverage the same precision to craft gear that elevates outdoor life under the sun.

www.cyysafety.com Whatsapp/wechat:86-13388619993

Our Products

From foldable chairs designed for rugged comfort to UV-blocking sunglasses and breathable sun hats, sports gloves, every CYY product is engineered for explorers, travelers, and outdoor enthusiasts. Whether hiking through trails, camping under stars, or relaxing on the beach, our gear ensures you stay cool, protected, and stylish—without compromising performance.

Why Choose CYY?

- 20 Years of Export Excellence: With certified BSCI compliance and an ISO 14001:2015 Environmental Management System, we uphold global standards in sustainability and ethical production. As gold members of SGS, TUV, and CTC, we demonstrate unwavering commitment to quality assurance.
- Proven Expertise: Decades of manufacturing experience in high-demand, functional products mean the gear you trust is built to outlast adventures.
- Quality Meets Adventure: We combine durable materials, ergonomic designs, and sun-smart technology to create gear that keeps up with your active lifestyle—wherever it takes you.
- Global Trust: Loved by retailers and adventurers worldwide served 77 countries, our products are tested in the toughest environments to earn the confidence.

Step Outside In relaxation – CYY Got You Covered.

Where the outdoors come alive in color—and youth never fades.

Product Details

ENHANCED DURABILITY	FiberSof MicroTac enhances soft feel and grip performance in key stress areas.
BREATHABLE MESH	Soft PowerNet mesh across the knuckles improves breathability, comfort and flexibility.
SECURE CLOSURE	Proprietary Comfortab Closure comfortably adjusts for a secure, reliable fit and feel.
EXTRAORDINARY FIT	Exclusive FiberSof material provides the most advanced combination of a consistent fit, soft feel, and a secure grip.

ARE YOU WEARING THE RIGHT SIZE GLOVE?

Fits Like a Second Skin
A proper fitting golf glove should fit like a second skin, tight across the palm and fingers, with no loose material.

Fingers Should be Snug
You should not have extra material at the top of your fingers, if you do, you may want to size down or try a Cadet glove in your size.

Room to Adjust Closure
The tab should only come about 75% of the way across the back of your hand (leaving 1/4" of Velcro uncovered) to allow for adjustment during play.

WHAT GLOVE WEAR CAN TELL YOU ABOUT YOUR GAME - Ideally, your glove won't show any wear before it is time to replace it, but if it does, then here are a few pointers that could improve your game.

Palm Wear
Your hands may be slipping during your swing, or you may be holding your club with your palms rather than your fingers.

Heel Wear
You may be re-gripping at the top of your swing, or you may be holding the club too close to the end. Check that you are gripping the clubs about an inch from the end.

Thumb Wear
You may be extending your thumb too far down the shaft. Point your left thumb slightly toward the right for a more natural, comfortable backswing.

Foam Padding Palm

Durable & reinforced synthetic leather palm work gloves provides strength, and quality.

Breathable Mesh Back

Mens work gloves with foam padding on the knuckle reduces impact to the top of your hand.

Design with foam padded for comfortable and reduce impact.

Breathable & spandex back-of-hand, offer great breathability

Touch Screen Fingertips

Utility gloves with touch screen compatible for your phone and touchscreen devices without having to take the gloves off.

Adjustable Closure

Work gloves with adjustable hook and loop wrist closure ensures the perfect fit for safety and comfort throughout the day.

Perfect for light-duty work:

Lightweight and flexible for truck drivers, warehouse work, yard work, gardening, landscaping, outdoor work, and home improvement.

One size fits most men and women.

Running / Cycling Gloves

With a pair of light sport gloves
absorb and retain your body heat in the cold

Water-resistant Windproof Warm

[Warm and Breathable] Our running gloves keep the maximum thermal protection for your body in cold by wicking moisture away from your skin effectively. They are featured the newest fiber material whose fabric bulkiness is 10% higher than other fibers, against the static electricity and fabric pilling.

[Touchscreen-friendly] Do you still tolerate the frozen fingers when running, walking and driving in winter? Wearing our touchscreen gloves, you can easily use your smartphone or other electronic device to protect your hands. The thumb and forefinger tips on both hands are designed with durable conductive fabric for long lasting.

Two-Finger Gloves for Gaming

[Material Quality] The gloves is made of nylon, Uses top-scale silver fiber on the finger part, which is super conductive, highly sensitive, and has an e-sports experience on the fingertip

[Gaming experience] Constant friction greatly reduces the resistance caused by the fast sliding screen, effectively improves the sensitivity, and the touch screen response is clear and continuous. The game gloves support almost all mobile gaming on iPhone and Android phone including shooting games and racing games

[Design] The game glove only wears your thumb and index finger, Releasing your other three fingers while satisfying your gaming pleasure, making your palms more comfortable and free

[Details] Finely knitted to ensure the gloves are air breathable and can absorb sweat, which is perfect for sweaty fingers. The thin and light material provides good breathability and resists sultry heat. Finger of silver fiber is as light as nothing when worn on the hand

Material: Nylon + Silver Fiber

Function: Touch Screen, Breathable

Applicable Scenarios:

Mobile photo, Ipad, Touch screen TV, Touch screen computer, Other electronic devices, Gaming

Sun Hat

Stay cool & protected with our wide-brim sun hat, featuring UPF 50+ fabric for ultimate UV defense. Lightweight, breathable, and packable—perfect for beach days, hiking, or outdoor adventures.

Why You'll Love It:

- ✓ Blocks 98% of UV rays
- ✓ Adjustable chin strap
- ✓ Folds flat for travel

Ideal for: Travel, gardening, festivals.

Sun Glasses

Designed for adventure, our UV-protective sunglasses combine durability and style for any outdoor activity. Featuring polarized lenses to eliminate glare and impact-resistant frames, they're built to withstand sun, wind, and water.

Key Features:

- ✓ 100% UV400 Protection – Blocks harmful UVA/UVB rays
- ✓ Lightweight & Comfortable – TR90 or recycled plastic frames for all-day wear
- ✓ Polarized Lenses – Enhances clarity for driving, hiking, and watersports
- ✓ Secure Fit – Anti-slip nose pads and rubberized temple grips

Perfect For:

- Hiking • Cycling • Beach days • Fishing • Everyday wear

Foldable Chair

Compact, sturdy, and ready in seconds—our folding chair delivers instant seating anywhere. Built with a heavy-duty steel frame and weather-resistant fabric, it's perfect for events, camping, or extra guests.

Key Features:

- ✓ One-Second Setup – Effortless open/close
- ✓ Portable – Lightweight with carry handle
- ✓ 300lb Capacity – Reinforced for durability

Use Anywhere:

- BBQs • Tailgates • Beach trips • Home storage

Adjustable Portable Folding Chair

DFC101BK

DFC101YL

Adjustable Portable Folding Chair

Relax in comfort with our foldable camp chair, designed for versatility and support. The multi-grade adjustable backrest lets you sit upright or recline, perfect for camping, fishing, beach days, or outdoor events. Its ergonomic design provides lumbar and leg support, keeping you comfortable for hours, while the side pocket holds your essentials.

Built for durability, the sturdy X-frame and 16mm carbon steel construction support up to 300 lbs, adapting to any terrain. The breathable 600D Oxford fabric (or plush 3cm space cotton option) ensures long-lasting comfort.

Weighing just 6.2 lbs, it folds compactly and includes a carry bag for easy transport. Whether you're at a campground, picnic, or backyard, this chair delivers stability, comfort, and convenience wherever you go!

HINDAWI Sun Hats for Women Wide Brim Sun Hat

DSH101GN

DSH101PK

Sun Protection: The wide-brimmed design shields you from harmful UV rays while keeping your skin protected and cared for.

Premium Comfort: Crafted from high-quality polyester, this lightweight and breathable sun hat features a high-density sweatband and mesh lining for superior heat dissipation and all-day comfort.

Chic & Unique Design: Stand out with the elegant floral leaf pattern under the brim and a convenient ponytail opening at the back. Packable and space-saving, it easily fits into your handbag or beach tote for on-the-go convenience.

DSH101BK

DSH101BN

Adjustable Fit: The special Velcro closure allows effortless sizing adjustments, fitting head circumferences of 21.5"–22.8" (55–58 cm) for a "one size fits most" feel.

Secure & Versatile: Equipped with a detachable chin strap to keep your hat secure in windy conditions. Perfect for any season—spring, summer, autumn, or winter—and ideal for beach trips, travel, and outdoor adventures.

Code: DSH Series

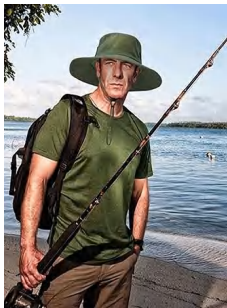

MOQ:500pcs

Package:50pcs/ctn

Carton size:37x24x46cm

HS code :6505009900

Men/Women Super Wide Brim Sun Hat

UPF 50+ Sun Protection: This wide-brimmed floppy hat offers UPF 50+ defense against harmful UV rays, shielding your face, neck, and ears from the sun.

Adjustable Chin Strap: Features a secure Velcro closure for a custom fit, while the removable chin strap keeps the hat in place—even on windy days.

Lightweight & Breathable: Made from 100% quick-dry polyester with 360° mesh ventilation to keep you cool and comfortable in hot, humid weather.

Perfect Fit & Portability: Adjustable sizing fits head circumferences of 22.8"–23.2" (58–59 cm). The 5.9" wide brim provides ample shade, while the lightweight design (0.14 kg) makes it easy to pack and carry.
