NINGBO JIANGBEI JK AUTO ACCESSORIES CO., LTD

JI KAI

Elevate Your Ride With JK Covers

Since its establishment in 2009, JK Auto Accessories has accumulated more than 15 years of experience in design, development and production, and has established solid partnerships with many internationally recognized brands, including Ferrari, Lamborghini, USA Coverking, UKCC, Germany Polo Motor, Ks Tools, Netherlands DS and France TLD Europ etc. Our professional team has collaborated to develop more than 300 car seat cover templates and more than 500 car cover templates, demonstrating our deep strength and innovative spirit in this field.

we have been developing and producing high-quality car covers, seat covers, pet seat covers, motorcycle covers, and boat covers. Our product range extends beyond automotive protection to include marine engine covers, pickup truck bed mat protectors, fender repair protection pads, car sunshades, stadium cushions, luggage protectors, and BBQ covers, among others.

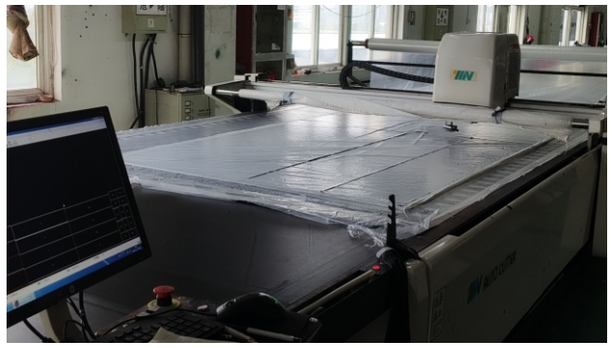

Our factories are equipped with advanced plate sweepers and cutting machines, which not only improve production accuracy but also greatly enhance work efficiency. Our R&D team is constantly exploring new technologies to stay at the forefront of the industry.

The Pad is a tailgate pad that allows you to carry up to six bicycles in the bed of your truck with the front wheel of the bicycle hanging over the protected tailgate. The Pad was designed for mountain bikes, but it will work with most styles of bicycles. Six Softwraps and daisy chain allow you to securely strap your bicycles to the rail. Compatible with most pickups, the Pad is the least expensive way to carry up to six bicycles.

Carries up to six bikes and works with most bike styles
Includes six Softwraps and daisy chain for securing bikes to rail
Includes Three of four straps for securing protective pad to tailgate

Step 1: choose size

*standard size we have is 54*34" and 61*34"*

M1 Bike Leg Protector

It protects against cold and rain

- Winter fleece (to keep warm) - padded
- 100% polyester (420D or higher)
- Velcro pocket (30*20cm) on right side like picture
- Reflectors (along the edge), see next pic for reference
- Waterproof
- Universal size for any person and any scooter

- Cover needs to go higher to protect upper body
- It will be put on like an apron for the kitchen
- Reflectors go along the edge

- Easy to put on with strap and click lock

Helmet Protector N1

When not driving, it should cover the scooter seat -> upper body part will be put on the scooter seat

4 Way Spandex material
