Specifications

Description	Parameter
Brand	iDste
Housing Material	Industrial ABS
Resolution	1920x1200
Colour Classification	Black
Operating System	Android12
Screen Type	Capacitive Touch Screen
Screen Ratio	16:10
Screen Size	10 inches
IC Card	Swipe
Power	POE/DC 12V 3A
Net Weight	962.8g
Applicable Scene	Device Control
Package Size	386mmx282mmx122mm
Certificates	CE,ROHS
After-sales service	1 year
Source Category	In stock
Product Size	244.5mmx178.7mmx30.5mm
With or Without Speaker	Built-in speaker 2W*2
Interface	DC12V*1 RJ45*1 USB2.0*1 HDMI in*1 3.5mm line in*1 3.5mm line out*1 out*1 GPIO*1 SPDT*1"

Description	Parameter
Microphone	Hi-Fi microphone
Touch Points	10-point touch
Backlight Type	TFT LCD
Response Speed	10ms
Horizontal Viewing Angle	R/L 85/85
Vertical Viewing Angle	U/D 85/85
Number of colours	16M colours
Process	Industrial Mould
Brightness	Precision Injection Moulding 500nits
Temperature and Humidity Sensor	CPU temperature sensor
Camera	2M pixels
Wi-Fi	None
RAM	4GB
Memory	32GB
LED Light Bar	Not Supported
Operating Temperature	0°C--40°C
Operating Humidity	20~80%RH
Support customisation	Power On Logo, Power On Animation Desktop Wallpaper, Personalised PackagingRunning Memory and Storage Capacity

Control Panel CP-10

Android-based System

Support open API interface, UI customization, signal switching, volume adjustment, IoT control.
